

# surehair.com

The screenshot shows the homepage of Sure Hair International. At the top left is the company logo, a stylized 'S' inside a circle. To its right is a navigation menu with links for Home, Hair Transplants, Non-Surgical Solutions Men, Non-Surgical Solutions Women, Photos/Videos, Blog, and Contact Us. A prominent blue button with a checkmark icon says 'REQUEST A QUOTE' and 'ASK ANY QUESTIONS'. The main banner features a large photo of a man with thick hair on the left. To his right, the text reads 'World Class Hair Transplantation' in a large, bold font, followed by 'Robotic FUE Hair Transplants' in a smaller blue font. Below this, a list of benefits is shown: 'Less Invasive', 'No Linear Scar', 'Virtually No Pain', and 'Consistently Excellent Results'. Two small polaroid-style photos show a 'Before' and 'After' view of a man's hair. Below the banner, a blue circular seal with stars and the text '20 YEARS' is positioned on the right. To the left of the seal, the text says 'Feel great about the way your hair looks again with our leading World Class Solutions to hair loss'. Below this is a paragraph of text: 'Welcome to Sure Hair International, a leading Canadian hair restoration company for more than 20 years. Over the years we have helped thousands of people just like you recover a natural looking, full head of hair again, our solutions have been featured in Maxim Magazine, The Doctors, CBS News, Bloomberg News and many others.' This is followed by another paragraph: 'We offer an entire range of options designed to meet your budget, and provide you with flexible solutions that will exceed all of your expectations.' A third paragraph follows: 'You now have all the latest solutions available to you at Sure Hair. Maybe you're a great candidate for our Uni-Strand® Robotic FUE Hair Transplants. Perhaps one of our FDA approved professional Laser Light Therapy, Hair Regrowth or Volumizing treatments is right for you. If you prefer a quicker and completely natural non-surgical solution, then our NT Hair Grafting System, an advanced hair replacement available anywhere.' Below the text is a 'Client Videos' section with a small video player showing a person's hair being styled. On the right side of the page, there is a red circular button with a white mouse cursor icon and the text 'VISIT WEB SITE'. The browser's address bar shows 'www.surehair.com' and the Windows taskbar is visible at the bottom.
